KENDACARE - LOADSTAR TIRE ROADSIDE ASSISTANCE PROGRAM

Emergency Roadside Assistance is available 24-hours a day, 365 days a year, anywhere in the U.S. or Canada on the Kenda Loadstar trailer tires on your new trailer you have just purchased. Tire Protection Plus consists of emergency road service dispatched to change the customer's flat tire with the customer's inflated spare. This service is valid for two years from the date of purchase of your new trailer equipped with Kenda Loadstar tires. Only the vehicle for which the tire(s) was purchased is covered under this program. Service is performed on a "sign & drive" basis, whereby the customer is not charged for approved service up to a maximum benefit amount of \$60.00 dollars USD per event. Service charges over the maximum benefit amount are the sole responsibility of the customer and shall be paid directly to the service provider at the time of service. Service is for trailers only with tires not exceeding ten (10) ply or load rage "E" ratings. This service excludes commercial fleet trailers, off-road trailer, trailers off the road and trailers already at a repair facility or any trailer, which, at the sole determination of the service provider, is in such condition that service is likely to result in damage to the trailer or the ISP's vehicle or equipment. Theft, vandalism and accident related incidents are not covered. Service may not be available in areas where state/provincial providers are exclusively utilized. Any additional services requested will be available at the customer's sole responsibility and cost. To receive 24-hour Tire Roadside Assistance, you must call the toll-free number listed below to have service dispatched to your location. Please have your account number, date of purchase and your location available.

For 24 Hour KendaCare Tire Roadside Assistance - Call 1-800-379-8883 - Account Number: 690115

Americana Tire and Wheel (ATW) is a Kenda group company. ATW is the distribution arm of Kenda to service the North American trailer industry. We supply many OEM's and distributors across the country from our four large distribution centers. We assemble Kenda Loadstar and Karrier trailer tires on a variety of styles and designs of steel and aluminum wheels. You can have confidence that you will always receive the same superior quality Kenda tire and exceptional service from ATW.
